

Nojus Pujanauskas | Front-End Developer

Last year high-school student

*my friends find me as kind, sporty
and intelligent*

Location: **Oslo, Norway**
Telephone: **+47 925 24 264**
Email: pujanoj@gmail.com

Personal Profile & Motivation

I am a 17-year-old alpine-skier, gamer, and programmer. I have always been passionate about computers and as a result, I got a lot of experience in using different applications from different ecosystems. That enabled me to spot how user experience can be different from application to application. Therefore, the front-end coding frameworks are of my biggest interest, and this is where I wish to deepen my knowledge.

Core personality features

- Positive and highly motivated
- Solution not problem oriented
- Love teamwork

Languages

- Norwegian/Lithuanian: bilingual
- English: fluent
- French (intermediate)

Coding skills and Experience

Programming Languages/Frameworks

- React with Redux (Javascript framework)
- HTML, CSS
- Svelte (Javascript framework)
- Python (basic knowledge)

Have experience with:

- Visual studio
- Github, Stack overflow
- Wix, Wordpress
- Semantic UI, Bootstrap
- W3Schools, Codecademy

Career Summary

August 2016 – Present
